 Course Date #2: _____ Time: _____ Course Date #4: _____ Time: _____

- Registered students must attend all hours of the course for the entire period and complete all training within 2 weeks of starting the course to receive an immediate Completion Certificate or future OSHA completion card.
- Student and/or sponsoring organization waives any liability against the Authorized OSHA Trainer for injury, illness, or loss of property at the premises where training is conducted.
- Upon receipt of all student information, including required photos, final payments of any balances past due, and successful approval of Trainer documentation by OSHA, participants will receive a laminated photo OSHA completion card via USPS. OSHA cards have a (5) year expiration date in New York State.
- Sudden Safety Consultants works in partnership with NYC DOB Authorized entities. Supported Scaffold Safety Training is in compliance with the training requirements of NYC Dept of Buildings Code 3314.4.6. Available in English & Spanish. Scaffold training completion cards will follow within 2-3 weeks of completion of all training.
- All participants are made aware of specific language training will be conducted in prior to all training sessions. If course participant does not comprehend or read the language of that session, do not register for that training. Special language requirements must be discussed in advance, and may be accommodated for an additional fee. **NO REFUNDS ALLOWED.**
- Authorized OSHA Trainer cannot be responsible for student' understanding or comprehension of the material presented, application of the material to specific jobs, or accuracy of information beyond our control.
- Authorized OSHA Trainers bear no responsibility to provide additional or compensatory training for participants registered for a training session in which their ability to comprehend the reading, lecture, or handouts is compromised by their special language needs.
- Sudden Safety Consultants reserves the right to cancel or reschedule any course without notice for any reason, including insufficient enrollment or incomplete attendance. If course cancellation occurs, transfer to a subsequently scheduled same course shall be permitted without REFUND.
- To prevent fraud, Sudden Safety Consultants applies photos to all OSHA and Scaffold Cards. All students must bring an I.D. size photo on the first day of class. These photos can be purchased at any photo booth, CVS, Walgreens, or Duane Reade or (or have one taken and printed in our office for an additional \$10 charge).

I HEREBY AGREE TO THE TERMS, CONDITIONS, INFORMATION, AND REQUIREMENTS LISTED ABOVE. BY SIGNING BELOW, I ALSO CONSENT THAT THE AUTHORIZED TRAINER MAY USE PHOTOGRAPHS AND VIDEOTAPES OF THIS PROGRAM, INCLUDING IMAGES OF ME, FOR THE PURPOSES OF ADVERTISING AND TRADE, WHICH MAY INCLUDE SOCIAL MEDIA, EDUCATIONAL, AND PROMOTIONAL USE.
